

## 2012 Smoky Mountain Home Show Sponsorship Opportunities

The Sevier County Home Builders Association is proud to be hosting the **24<sup>TH</sup> Annual Smoky Mountain Home Show February 3-5, 2012**. The SCHBA is a local not-for-profit construction industry association comprised of licensed and insured building contractors, developers, and subcontractors. Hosting a local home show to the Smoky Mountain area market is their way of making the construction industry available to all residents. They encourage the local community to come see how you can renovate your current home, spice up your front yard with landscaping, redesign your master bath, or find the perfect builder to design & build your next dream home. The Smoky Mountain Home Show will take place at the Sevierville Events Center off Gists Creek Road.
